Tour De Lumsden

This is the 10th Annual Impact Printers & Nicky's Cafe Family Fun Ride, but this is the **2nd Corporate Challenge!** We are adding a bit of a fun, but competitiveness to this very worthy cause for fundraising. Over the Past 9 years, the Bike Ride has raised over **\$240,000** for Palliative Care with the help of some very faithful bike riders.

So, now we are going to ask the Corporate World to help!

Are you up for it?

Can you do it?

Can you Corporately make it to the finish line?

Here's the Challenge:

- Each Team will consist of 3 riders (you can enter more than 1 team).
- You must raise at least \$1,000 / team.
- You will Ride/Race 50 km from Highway 11, weigh scales, through the scenic Lumsden Valley via old Lumsden Highway through the town, then on to Craven, up the Craven hill and back to Lumsden.
- Your team time equals the slowest rider's time times 3. The fastest team WINS! HOWEVER, we will reduce your team's time by 1 minute for every \$100 raised above the minimum entry fee (so you can BUY a win!!!).
- Top Fundraising Team gets to wear the Yellow "Tour De Lumsden" Jerseys and bragging rights!
- Each Team will receive 3 team biking jerseys with their team name and logos on them.
- A Recovery Workout Breakfast at the end of the race and more Bragging Rights!
- Transport back to the start line.

When: Sunday, August 22nd, 2010

**Where: Highway #11 weigh scales to Lumsden to
Craven and back to Lumsden (50 km)**
